

75141860

**Touch sensor 1gang comfort - integrated bus coupling unit**

Description	P.U.	Price Group	Price	Art No.
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.1, glass polar white	1		on demand	75141860
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.1, glass black	1		on demand	75141865
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass polar white	1		on demand	75141160
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass black	1		on demand	75141165
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.3, glass polar white	1		on demand	75141850
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.3, glass black	1		on demand	75141855
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.3 - configured, glass polar white	1		on demand	75141150
Touch sensor 1gang comfort with integral bus coupling unit, KNX - Berker R.3 - configured, glass black	1		on demand	75141155
1gang comfort with integral bus coupling unit	1		on demand	75041004

75142860

IP20

Touch sensor 2gang comfort - integrated bus coupling unit

Description	P.U.	Price Group	Price	Art No.
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.1, glass polar white	1		on demand	75142860
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.1, glass black	1		on demand	75142865
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass polar white	1		on demand	75142160
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass black	1		on demand	75142165
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.3, glass polar white	1		on demand	75142850
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.3, glass black	1		on demand	75142855
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.3 - configured, glass polar white	1		on demand	75142150
Touch sensor 2gang comfort with integral bus coupling unit, KNX - Berker R.3 - configured, glass black	1		on demand	75142155

Touch sensor 3gang comfort - integrated bus coupling unit

Description	P.U.	Price Group	Price	Art No.
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker R.1, glass polar white	1		on demand	75143860
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker R.1, glass black	1		on demand	75143865
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass polar white	1		on demand	75143160
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass black	1		on demand	75143165
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker R.3, glass polar white	1		on demand	75143850
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker R.3, glass black	1		on demand	75143855
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker TS Sensor - configured, glass polar white	1		on demand	75143150
Touch sensor 3gang comfort with integral bus coupling unit, KNX - Berker TS Sensor - configured, glass black	1		on demand	75143155

75143860

IP20

Touch sensor 4gang comfort - integrated bus coupling unit

Description	P.U.	Price Group	Price	Art No.
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.1, glass polar white	1		on demand	75144860
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.1, glass black	1		on demand	75144865
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass polar white	1		on demand	75144160
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.1 - configured, glass black	1		on demand	75144165
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.3, glass polar white	1		on demand	75144850
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.3, glass black	1		on demand	75144855
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.3 - configured, glass polar white	1		on demand	75144150
Touch sensor 4gang comfort with integral bus coupling unit, KNX - Berker R.3 - configured, glass black	1		on demand	75144155

75144860

75642060

**Touch sensor 2gang with thermostat - integrated bus coupling unit**

Description	P.U.	Price Group	Price	Art No.
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1, glass polar white	1		on demand	75642060
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1, glass black	1		on demand	75642065
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1 - configured, glass polar white	1		on demand	75642160
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1 - configured, glass black	1		on demand	75642165
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3, glass polar white	1		on demand	75642050
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3, glass black	1		on demand	75642055
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3 - configured, glass polar white	1		on demand	75642150
Touch sensor 2gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3 - configured, glass black	1		on demand	75642155

75643060

**Touch sensor 3gang with thermostat - integrated bus coupling unit**

Description	P.U.	Price Group	Price	Art No.
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1, glass polar white	1		on demand	75643060
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1, glass black	1		on demand	75643065
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1 - configured, glass polar white	1		on demand	75643160
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.1 - configured, glass black	1		on demand	75643165
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3, glass polar white	1		on demand	75643050
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3, glass black	1		on demand	75643055
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3 - configured, glass polar white	1		on demand	75643150
Touch sensor 3gang with thermostat Display, integrated bus coupling unit, KNX - Berker R.3 - configured, glass black	1		on demand	75643155
